Recreational Infrastructure Revenue Enhancement Grant

Program Description

Background

This program originates from Proposition 68, placed on the ballot via Senate Bill 5 (DeLeon, Chapter 852, statutes of 2017), and approved by voters on June 5, 2018. Funds for the program were appropriated via State Budget item 3790-101-6088(1) 2(a). Legislative program information is found in the Public Resources Code (PRC) beginning at §80000 (see page 50). OGALS retains the right to waive requirements not mandated by statute. Funds are provided by the program as described below:

Recreational Infrastructure Revenue Enhancement Program (RIRE): \$37,000,000

Funds are available for a local agency that has obtained voter approval between November 1, 2012, through November 30, 2018 for revenue enhancement measures aimed at improving and enhancing local or regional park and recreational infrastructure to be awarded proportionally based on the population of the voting area. Where the local agency has had qualifying measures approved by more than one voting area, the award will be based on the combined populations of the voting areas that approved qualifying measures. For purposes of determining funds to be awarded, a person can only be counted once, regardless of the number of qualifying measures approved by the local agency.

Public Resources Code §80066. *The sum of forty million dollars shall be available to the department, upon appropriation by the Legislature, for grants, awarded proportionally based on populations served, to local agencies that have obtained voter approval between November 1, 2012, through November 30, 2018, inclusive, for revenue enhancement measures aimed at improving and enhancing local or regional park infrastructure. A recipient of a grant under this section shall receive at least two hundred fifty thousand dollars (\$250,000) for the purposes of the revenue enhancement measure.*

Eligible Recipients (PRC §80066)

Local agencies that have obtained voter approval between November 1, 2012, through November 30, 2018, inclusive, for revenue enhancement measures aimed at improving and enhancing local or regional park and recreational infrastructure.

- “Revenue Enhancement Measure” means the measure identifies a new tax or fee that will fund the measure, or extends an existing tax or fee otherwise scheduled to expire.
- “Aimed at” means that the measure must identify activities related to parks, and park-related lands and infrastructure, as its sole purpose, rather than providing funding for a range of park and non-park-related activities.
- “Improving or enhancing local or regional park infrastructure” means that the measure authorizes the use of funds for capital outlay, as distinguished from operation and maintenance, and will make local or regional park infrastructure more valuable in quality, desirability and attractiveness for users.

Allocations

Allocations will be determined on a per person basis, with a minimum allocation of \$250,000.

Eligible [local agencies for RIRE](http://www.parks.ca.gov/RIRE) at www.parks.ca.gov/RIRE

Eligible Projects

- PROJECTS must be for park and recreational infrastructure purposes, either acquisition or DEVELOPMENT, for the purposes described in the revenue enhancement measure. Do not submit combined acquisition and DEVELOPMENT PROJECTS.
- Multiple PROJECTS may be completed under one contract; each project requires a separate application packet.
- A project can only have one location. One project that serves several parks is not permitted.
- Projects must be located within a voting area that passed the qualifying revenue enhancement measure.

Grant Process Overview

GRANT PERFORMANCE PERIOD is shown on the contract. Visit the [RIRE webpage](http://www.parks.ca.gov/RIRE) at www.parks.ca.gov/RIRE for deadlines and current information on each step in the process listed below:

1. OGALS will send the RIRE Eligibility Solicitation to local agencies.
2. Local agencies have until February 21, 2020 to provide the requested information.
3. OGALS will review the submittals, and inform applicants if they are, or are not eligible.
4. OGALS will publish a final version of the Procedural Guide, containing the allocations for applicants that meet the requirements of the program.
5. OGALS Mandatory Grant Administration Overview with a Project Officer will occur statewide. All recipients are required to complete.
6. Resolution: GRANTEE passes one resolution approving the filing of *all* applications associated with the CONTRACT, and forwards a copy to OGALS.
7. APPLICATION PACKET(s): The GRANTEE defines the PROJECT SCOPE(s) and amount of grant funds needed for each PROJECT. As PROJECTS are identified, the GRANTEE submits individual APPLICATION PACKET(s) to OGALS. OGALS reviews each APPLICATION PACKET and sends a letter of approval to the GRANTEE or requests additional information.
8. CONTRACT: OGALS will forward a CONTRACT to the GRANTEE once a PROJECT APPLICATION PACKET(s) totaling the grantee's RIRE allocation amount has been approved.

- a. The Contract Section, beginning on page 40, includes a sample CONTRACT.
 - b. The GRANTEE must return the CONTRACT or amendment(s) signed by the AUTHORIZED REPRESENTATIVE to OGALS.
 - c. OGALS returns a copy of the fully executed CONTRACT to the GRANTEE.
9. **Payments and end of GRANT PERFORMANCE PERIOD:** GRANTEE requests payments for eligible costs. The Grant Payments Section, beginning on page 31, provides payment request instructions and forms.
- a. The GRANTEE may request payments after each PROJECT is approved by OGALS.
 - b. The GRANTEE completes PROJECT SCOPE(s).
 - c. The GRANTEE sends PROJECT COMPLETION PACKET(s) to OGALS.
 - d. OGALS processes the final payment request after each PROJECT is complete as documented by the GRANTEE in the PROJECT COMPLETION PACKET, and as verified by OGALS by conducting a site inspection.
10. **Accounting and Audits:** DPR's Audits Office may conduct an audit. The GRANTEE is required to retain all PROJECT records for five years following issuance of the final GRANT payment or PROJECT termination, whichever is later. The Accounting and Audits Section, beginning on page 48, provides directions and an Audit Checklist for DPR audit and accounting requirements.

Authorizing Resolution

GRANTEE passes *one* resolution approving the filing of *all* applications associated with the CONTRACT, and forwards a copy to OGALS.

The Authorizing Resolution on the following page may be reformatted; however, the *language provided in the resolution must remain unchanged*.

The Authorizing Resolution serves two purposes:

1. It is the means by which the GRANTEE'S Governing Body agrees to the terms of the CONTRACT; it provides confirmation that the GRANTEE has the funding to complete, operate and maintain PROJECTS associated with the CONTRACT.
2. Designates a position title to represent the Governing Body on all matters regarding PROJECTS associated with the CONTRACT. The incumbent in this position is referred to as the AUTHORIZED REPRESENTATIVE.

Resolution items 5 and 6 are required by Proposition 68.

Complete the highlighted areas of the Authorizing Resolution. The AUTHORIZED REPRESENTATIVE can delegate signatory authority to other individuals (by position title) either in entirety or for particular documents. This may be included in item 8 of the resolution, or the AUTHORIZED REPRESENTATIVE may delegate signatory authority with a letter (on letterhead) or email to OGALS.

If your PROJECT involves tree planting, follow the instructions below and submit with the PROJECT COMPLETION PACKET.

Before getting started, gather the following information about your PROJECT:

- Tree species
- Size of trees at planting
- Information on the distance and direction to the nearest building (if applicable)
- Information on the age and climate control of any nearby buildings (if applicable)
- Information about the tree’s growing conditions

Getting started:

1. Navigate to the [i-Tree website](https://planting.itreetools.org/) at <https://planting.itreetools.org/> and select the tab for a new project.
2. On the Location map, select your state, county and city, and then click Next.
3. Configure the project parameters³:
 - “Electricity emissions factor” enter 285 and select kilograms
 - “Fuel emissions factor” enter 53.1 and select kilograms
 - “Years for the project” is the age of the trees 40 years from when they are planted. So, if the trees will be four years old at the time of planting, enter 44.
 - “Tree mortality” enter 0
4. Tree Planting Configurations
 - Enter the tree groups for the project; create a new group for each new species or for each new location.

² PRC §80001(b)(7)

³ Project parameters are from the California Air Resources Board’s “Quantification Methodology for the California Natural Resources Agency Urban Greening Grant Program.”

- Species – select the species; add multiple species by creating new groups.
- DBH – tree diameter four feet above the ground at time of planting.
- Distance to nearest tree – select from drop down menu
- Tree is (north, south, east or west) of Building – select the direction the tree is located to the nearest climate controlled building.
- Climate controls – select the type of climate controls the nearby building has installed. If a tree is more than 60 feet away from a climate controlled building, select “none.”
- Condition – select the overall health of the trees at the time of planting.
- Exposure to sunlight – select the amount of sun that reaches the tree, based on its surroundings.
- Number of trees – enter the number of trees that are the same species and the same characteristics (e.g. distance to building, location in respect to building, exposure to sunlight, etc.) If some of these characteristics change, multiple lines of the same species should be input into the tool.

Once all the groups are entered, click next

5. Print the report in landscape mode, and submit it with your APPLICATION.

Bond Act Sign

A sign acknowledging the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access for All Act of 2018 as the funding source for the project must be installed during construction and at completion (PRC §80001(b)(3)). If appropriate, the same sign can be used during construction and completion.

Sign requirements

The sign must be available during construction, at the final inspection of the PROJECT, and remain in place for a minimum of four (4) years from date of PROJECT completion. There is no minimum or maximum size other than the minimum size for the logo, as long as the sign contains the required wording.

Sign Language

All signs must contain the following language:

GAVIN NEWSOM, GOVERNOR

Wade Crowfoot, Secretary for Natural Resources

Armando Quintero, Director, California Department of Parks and Recreation

Use the names of the current officials. The name of the director of the local agency or other governing body may be added. The sign may also include names (and/or logos) of other partners, organizations, individuals and elected representatives.

Logo

All signs must display the Parks and Water Bond Act logo (shown on the cover of this guide). Display the logo to maximize visibility and durability. Each edge of the logo must be a minimum of 24" x 24". Exceptions may be approved, when appropriate, at OGALS' discretion.

Logo Artwork at: https://www.parks.ca.gov/pages/1008/files/P68_Sign_Guidelines.docx

Sign Construction

All materials used shall be durable and resistant to the elements and graffiti. The California Department of Transportation and DPR standards may be used as a guide for gauge of metal, quality of paints used, mounting specifications, etc.

Sign Cost

The cost of the sign(s) is an eligible PROJECT cost. Permanent signage is encouraged.

Appropriateness of Signs

For projects where the required sign may be out of place or affected by local sign ordinances, OGALS may authorize a sign that is more appropriate to the project.

State Approval

GRANTEE shall submit the proposed number, locations, size, and language of signs for preliminary review. Final payments will not be processed until post completion signage has been approved and installed.

Deed Restriction

The Deed Restriction restricts the title to the property, safeguarding the property for purposes consistent with the GRANT for the duration of the CONTRACT PERFORMANCE PERIOD.

If the GRANTEE owns the PROJECT land, a Deed Restriction must be recorded on the title to the property before OGALS will approve any grant payments except an advance into escrow. A Deed Restriction *is not required* if the GRANTEE does not own the PROJECT land, such as where the GRANTEE is improving property it has access to under a lease agreement.

Deed Restriction Instructions

Before filing the Deed Restriction, the GRANTEE must own the PROJECT land, and have an encumbered CONTRACT for the GRANT amount.

The PROJECT OFFICER will send the Deed Restriction to the GRANTEE. *Do not alter the Deed Restriction.* The GRANTEE takes the following steps:

1. Add ownership information to **Paragraph I of the Deed Restriction:** [formal name of GRANTEE] *Insert ownership information as it appears on the deed.*
2. *Create 3 copies (GRANTEE copy, OGALS copy and recorder's copy) of the Deed restriction and the required attachments:*

Exhibit A: Label this attachment "Exhibit A (Legal Description of Property)" and include a formal legal description of every parcel of property to which grant funds will be used for the development and/or acquisition thereof. This information can be obtained from the grant deed or title policy. (The assessor's parcel number or a street address is NOT a valid legal description.) and,

Exhibit B: Label this attachment "Exhibit B (Grant CONTRACT)" and include a complete copy of the Grant CONTRACT and provisions signed by the AUTHORIZED REPRESENTATIVE and the State of California.

3. *Notarize it:* Take 3 copies of the following documents to a notary. OGALS recommends submitting these documents to the PROJECT OFFICER for review prior to notarizing.

- Unsigned and undated Deed Restriction
- Exhibit A (Legal Description of Property)
- Exhibit B (Grant CONTRACT)

The AUTHORIZED REPRESENTATIVE dates and signs the Deed Restriction signature page in the presence of a notary. The notary will complete a Notary Acknowledgement (Civil Code §1189).

4. *Record it:* Take 3 copies of the notarized documents bulleted above to the County Recorder's Office of the county in which the property is located. Ask the County Clerk to record the Deed Restriction with Notary Acknowledgement, Exhibit A, and Exhibit B, on the title to the property.

5. *Send it:* Make sure to send a copy of the notarized and recorded Deed Restriction, Exhibit A, and Exhibit B to the OGALS Project Officer.

NOW, THEREFORE, in consideration of the issuance of the Grant funds by DPR, the undersigned Owner(s) for themselves and for their heirs, assigns, and successors-in-interest, hereby irrevocably covenant(s) with DPR that the condition of the grant (set forth at paragraph(s) 1 through 5 and in Exhibit B hereto) shall at all times on and after the date on which this Deed Restriction is recorded constitute for all purposes covenants, conditions and restrictions on the use and enjoyment of the Property that are hereby attached to the deed to the Property as fully effective components thereof.

3. RIGHT OF ENTRY. DPR or its agent or employees may enter onto the Property at times reasonably acceptable to Owner(s) to ascertain whether the use restrictions set forth above are being observed.

4. REMEDIES. Any act, conveyance, contract, or authorization by Owner(s) whether written or oral which uses or would cause to be used or would permit use of the Property contrary to the terms of this Deed Restriction will be deemed a violation and a breach hereof. DPR may pursue any and all available legal and/or equitable remedies to enforce the terms and conditions of this Deed Restriction up to and including a lien sale of the property. In the event of a breach, any forbearance on the part of DPR to

enforce the terms and provisions hereof shall not be deemed a waiver of enforcement rights regarding such breach, or any subsequent breach.

5. SEVERABILITY. If any provision of these restrictions is held to be invalid, or for any reason becomes unenforceable, no other provision shall be affected or impaired.

Advance Payments

- OGALS reserves the right to decline ADVANCE payment requests.
 - Past performance, GRANTEE capacity, and the GRANTEE'S financial resources will all be considered before issuing an ADVANCE.
- ADVANCE payments may be requested for costs the GRANTEE will incur within the next six months.
- ADVANCE funds may be placed in an interested bearing account and *must* be spent within six months of receipt, or returned to OGALS.
- The sum of DEVELOPMENT ADVANCES cannot exceed 80% of the GRANT amount.

Advance Justification

Provide the following information:

- Explanation as to why an ADVANCE is needed instead of a reimbursement. Describe any hardships the GRANTEE will experience if a reimbursement were issued instead of an ADVANCE.
- A payment schedule, with a month-by-month estimate, for up to six months, showing the anticipated amount needed, and to whom the funds will be paid (IN-HOUSE EMPLOYEE SERVICES or name of contractor). The six-month period should begin six to eight weeks after payment request is submitted.

- A funding plan, indicating how the GRANTEE intends to provide cash flow to the percentage of the GRANT exceeding the 80% ADVANCE limit.
- A statement indicating the GRANTEE will or will not put the ADVANCED funds into a separate, interest bearing account, and spend any interest earned on the GRANT.
- An acknowledgement that all invoices and contracts pursuant to which payments are made shall be made available to OGALS on demand.

Clearing the Advance

ADVANCES must be cleared within six months of receipt, or earlier. ADVANCES should be cleared incrementally, that is, as costs are incurred.

An ADVANCE is cleared as follows:

- Submit a Grant Expenditure Form (see page 34) documenting expenditures of eligible costs equal to the ADVANCE amount *plus any earned interest*.
- Submit photos of construction completed and the construction sign (see page 26) with the ADVANCE funds (for construction ADVANCES).
- Return the balance of unspent GRANT funds to OGALS no later than thirty days after the end of the six-month ADVANCE period.
- OGALS will then return the GRANT funds to the CONTRACT balance. OGALS cannot return interest to the CONTRACT balance. Therefore, any interest earned on ADVANCES must be shown to have been used towards eligible costs and submitted on a Grant Expenditure Form

Subsequent Payments

ADVANCE payments must be cleared before *any* payments will be approved.

This requirement may be waived in cases where a PROJECT requires timely payments to contractors, and the remaining balance of unspent ADVANCED funds cannot cover the next PROJECT payment.

The following are required to request a waiver:

1. A letter to the PROJECT OFFICER, signed by the AUTHORIZED REPRESENTATIVE, explaining why the waiver is needed.
2. A statement in the letter that the majority of ADVANCED funds has been cleared with a Grant Expenditure Form documenting ADVANCED funds already spent.
3. A payment schedule with month by month estimates detailing the anticipated amount needed including the unspent balance of previously ADVANCED funds, along with the additional requested reimbursement or ADVANCE.

Acquisition Advance into Escrow

Payment Type	When to Request	Documents to Send
ADVANCES up to 100% of the GRANT amount	After the CONTRACT is encumbered and escrow is open	See following instructions 1. Escrow letter 2. Preliminary title report 3. Payment Request Form

The following items are required to request an ADVANCE payment into escrow.

1. A letter on the GRANTEE's letterhead, addressing all of the following elements, and signed by the GRANTEE'S AUTHORIZED REPRESENTATIVE.
 - a) Name, address and telephone number of the title company or escrow holder, and the escrow account number to which the GRANT funds will be disbursed.
 - b) Copy of the property appraisal and written concurrence (page 12).
 - c) GRANT CONTRACT number and amount of GRANT funds requested.
 - d) A statement by the GRANTEE that "the preliminary title report shows that there are no liens, easements, or any other restrictions that would prevent completion of the PROJECT SCOPE and fulfillment of the CONTRACT provisions."
 - e) A statement by the GRANTEE that "all funds (exclusive of the GRANT funds to be provided under this agreement) needed for the completion of the acquisition of the property or properties have been secured and have been or will be deposited to escrow on or about the same date as the requested GRANT funds." In making this statement, the GRANTEE is entitled to reasonably rely on the representations of the seller.
2. Copy of the preliminary title report.
3. Payment Request Form. The "Send Warrant To" item 7 on the Payment Request Form must be completed using the title company's or escrow holder's name, mailing address, and contact person (see page 33).

After approval by OGALS, the payment will be mailed by the State Controller's Office to the designated escrow company within approximately 30 working days.

Returning Unexpended Advanced Funds for Acquisition

If all or a portion of GRANT funds ADVANCED to the title or escrow company are not expended, the unused portion of the ADVANCED funds must be returned to OGALS within 60 days after completion of the acquisition (s), within 60 days of the acquisition withdrawal, or within 60 days after the end of the GRANT PERFORMANCE PERIOD, *whichever is earliest*.

B. Project Execution

1. Subject to the availability of GRANT MONIES in the ACT, the STATE hereby grants to the GRANTEE a sum of money not to exceed the amount stated in Section I of this CONTRACT, in consideration of, and on condition that, the sum be expended in carrying out the purposes as set forth in the SCOPE described in the enabling legislation and referenced in the APPLICATION, Section I of this CONTRACT, and under the terms and conditions set forth in this CONTRACT.

The GRANTEE shall assume any obligation to furnish any additional funds that may be necessary to complete the GRANT SCOPE(S).

The GRANTEE agrees to submit any change or alteration from the original GRANT SCOPE(S) in writing to the STATE for prior approval. This applies to any and all changes that occur after STATE has approved the APPLICATION. Changes in the GRANT SCOPE(S) must be approved in writing by the STATE.

2. The GRANTEE shall complete the GRANT SCOPE(S) in accordance with the time of the GRANT PERFORMANCE PERIOD set forth in Section I of this CONTRACT, and under the terms and conditions of this CONTRACT.

4. The GRANTEE shall comply with all applicable current laws and regulations affecting DEVELOPMENT PROJECTS, including, but not limited to, legal requirements for construction contracts, building codes, health and safety codes, and laws and codes pertaining to individuals with disabilities, including but not limited to the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) and the California Unruh Act (California Civil Code §51 et seq.)

D. Project Administration

1. If GRANT MONIES are advanced for DEVELOPMENT PROJECTS, the advanced GRANT MONIES may be placed in an interest bearing account until expended. Interest earned on the advanced GRANT MONIES shall be used on the PROJECT as approved by the STATE. If GRANT MONIES are advanced and not expended, the unused portion of the GRANT and any interest earned shall be returned to the STATE within 60 days after PROJECT COMPLETION or end of the GRANT PERFORMANCE PERIOD, whichever is earlier.

2. The GRANTEE may unilaterally rescind this CONTRACT at any time prior to the commencement of the PROJECT. The commencement of the PROJECT means the date of the letter notifying GRANTEE of the award or when the funds are appropriated, whichever is later. After PROJECT commencement, this CONTRACT may be rescinded, modified or amended only by mutual agreement in writing between the GRANTEE and the STATE, unless the provisions of this CONTRACT provide that mutual agreement is not required.
3. Failure by the GRANTEE to comply with the terms of the (a) PROCEDURAL GUIDE, (b) any legislation applicable to the ACT, (c) this CONTRACT as well as any other grant contracts, specified or general, that GRANTEE has entered into with the STATE, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such cases, the STATE may reimburse the GRANTEE for eligible costs properly incurred in performance of this CONTRACT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE agrees to mitigate its losses to the best of its ability.
4. Any breach of any term, provision, obligation or requirement of this CONTRACT by the GRANTEE shall be a default of this CONTRACT. In the case of any default by GRANTEE, STATE shall be entitled to all remedies available under law and equity, including but not limited to: a) Specific Performance; b) Return of all GRANT MONIES; c) Payment to the STATE of the fair market value of the project property or the actual sales price, whichever is higher; and d) Payment to the STATE of the costs of enforcement of this CONTRACT, including but not limited to court and arbitration costs, fees, expenses of litigation, and reasonable attorney fees.
5. The GRANTEE and the STATE agree that if the GRANT SCOPE includes DEVELOPMENT, final payment may not be made until the work described in the GRANT SCOPE is complete and the GRANT PROJECT is open to the public.

F. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted by the budget act for purposes of this program, the STATE shall have the option to either cancel this CONTRACT with no liability occurring to the STATE, or offer a CONTRACT amendment to GRANTEE to reflect the reduced GRANT amount. This Paragraph shall not require the mutual agreement as addressed in Paragraph E, provision 2, of this CONTRACT.

G. Hold Harmless

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.

2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the PROJECT which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.
5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

H. Financial Records

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the PROJECT GRANT SCOPE and to make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following PROJECT termination or issuance of final payment, whichever is later.
2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project in connection with such assistance that is given or used, (c) the amount and nature of that portion of the project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this CONTRACT or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this CONTRACT. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following PROJECT termination or issuance of final payment, whichever is later.
4. The GRANTEE shall use a generally accepted accounting system.

I. Use of Facilities

1. The GRANTEE agrees that the GRANTEE shall operate and maintain the PROJECT property acquired or developed with the GRANT MONIES, for the duration of the Contract Performance Period.
2. The GRANTEE agrees that, during the Contract Performance Period, the GRANTEE shall use the PROJECT property acquired or developed with GRANT MONIES under this CONTRACT only for the purposes of this GRANT and no other use, sale, or other disposition or change of the use of the PROJECT property to one not consistent with its purpose shall be permitted except as authorized by the STATE and the PROJECT property shall be replaced with property of equivalent value and usefulness as determined by the STATE.
3. The PROJECT property acquired or developed may be transferred to another entity if the successor entity assumes the obligations imposed under this CONTRACT and with the approval of STATE.
4. Any real Property (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE provided that such approval shall not be unreasonably withheld as long as the purposes for which the GRANT was awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE'S rights to enforce performance under the Grant CONTRACT.
5. All real property, or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the PROJECT property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of GRANT MONIES received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify the STATE within 10 days of receiving the complaint.

J. Nondiscrimination

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this CONTRACT.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this PROJECT GRANT CONTRACT or under provisions of the enabling legislation and/or grant program.

K. Severability

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

L. Liability

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE will secure adequate liability insurance, performance bond, and/or other security necessary to protect the GRANTEE'S and STATE'S interest against poor workmanship, fraud, or other potential loss associated with completion of the GRANT PROJECT.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and responsibilities under this CONTRACT shall not be assignable by the GRANTEE either in whole or in part.

N. Use of Grant Monies

GRANTEE shall not use any GRANT MONIES (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the PROJECT property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the PROJECT property.

N. Section Headings

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT.

O. Waiver

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach, shall *not* be construed as a waiver of said rights; and the waiver of any breach under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

Accounting and Audits

Accounting Requirements

GRANTEES must use accounting practices that:

- Provide accounting data that clearly records costs incurred on the PROJECT and accurately reflects fiscal transactions, with the necessary controls and safeguards.
- Provide good audit trails, especially the source documents (purchase orders, receipts, progress payments, invoices, time cards, cancelled warrants, warrant numbers, etc.) specific to the PROJECT.

Accounting Rules for Employee Services (IN-HOUSE EMPLOYEE SERVICES)

GRANTEES must follow these accounting practices for employee services:

- Maintain time and attendance records as charges are incurred, identifying the employee through a name or other tracking system, and that employee's actual (hours worked) time spent on the PROJECT.
- Time estimates, including percentages, for work performed on the PROJECT are not acceptable.
- Time sheets that do not identify the specific employee's time spent on the PROJECT are not acceptable.
- Costs of the salaries and wages must be calculated according to the GRANTEE'S wage and salary scales, and may include benefit costs such as vacation, health insurance, pension contributions and workers' compensation.
- Overtime costs may be allowed under the GRANTEE'S established policy, provided that the regular work time was devoted to the same PROJECT.
- May not include overhead or cost allocation. These are costs generally associated with supporting an employee, such as rent, personnel support, IT, utilities, etc.

State Audit

GRANTS are subject to audit by DPR. (See page 49, Audit Checklist). All PROJECT records must be retained for five years after final payment was issued, or PROJECT terminated, whichever is later.

The GRANTEE must provide the following when an audit date and time has been confirmed by DPR:

- All PROJECT records, including the source documents and cancelled warrants, books, papers, accounts, time sheets, or other records listed in the Audit Checklist or requested by DPR.
- An employee having knowledge of the PROJECT and its records to assist the DPR auditor.

Record Keeping Recommendation

GRANTEES are encouraged to keep records of all eligible costs, including those not submitted to OGALS for payment. This provides a potential source of additional eligible costs, should any submitted expenses be deemed ineligible.

Contact the DPR Audits Office at (916) 657-0370 for questions about these requirements.

Audit Checklist

An audit of the PROJECT may be performed before or following PROJECT completion. The GRANTEE must retain and make available all PROJECT related records for five years following PROJECT termination or final payment of GRANT funds. Listed below are some of the items the auditor will examine during the review of your records as applicable. It is the responsibility of the GRANTEE to have these records available in a central location ready for review once an audit date and time has been confirmed. If you have any questions regarding these documents, you may contact the State Department of Parks and Recreation Audits Office at (916) 657-0370.
