Dear FCC Applicant:

Section 106 FCC submissions will not be accepted unless this cover sheet is completed and attached.

Project Name _____

Project Address _____

Based on the information provided on the accompanying FCC Form 620 or Form 621, and the documentation submitted pursuant to the *First Amendment to the Nationwide Programmatic Agreement for the Collocation of Wireless Antennas*, the following information applies to this project:

☐ There are buildings or structures over 45 years of age within this project's direct/indirect area of potential effect (APE).

☐ There is an archeological site located within this project's direct APE.

☐ A qualified archeologist has determined that the proposed project area is considered moderately to highly sensitive for archeological resources.

Therefore, pursuant to Stipulation VII.B.2 of the *Nationwide Programmatic Agreement for Review of Effects on Historic Properties for Certain Undertakings Approved by the Federal Communications Commission* as quoted below, **your Section 106 responsibilities are complete:**

If the SHPO/THPO does not provide written notice to the Applicant that it agrees or disagrees with the Applicant's determination of No Historic Properties Affected within 30 days following receipt of a complete Submission Packet, it is deemed that no Historic Properties Exist within the APE or the Undertaking will have no effect on Historic Properties. The Section 106 process is then complete and the Applicant may proceed with the project, unless further processing for reasons other than Section 106 is required.

☐ Yes, this submission contains an eligibility determination requiring SHPO concurrence.

☐ Yes, this submission contains tribal response.

This project will: Not ☐ Not Adversely ☐ Adversely ☐ affect Historic Properties.
