Needs Assessment

- #1 – The Applicant revised the narrative but did not answer the Division comment. The Applicant must provide a more concise overview of the agency and geographical area it serves.
- #2 – The Applicant describes duties that appear solely administrative and not part of OHV patrol. The meetings listed are indirect, and hours associated with those must be charged to indirect only.
- #4 – The Information included in this section should be moved to Item #1. This question must explain how many officers are deploying on this Project.

Project Certification

- #1 – The Applicant is reminded that patrolling primarily for anything other than OHV Recreational activities is ineligible as they do not have any OHV nexus.

Project Cost Estimate

- Equipment Use Expenses #1 "Estimated fuel and maintenance for truck" – Contingent line item: The Applicant must clarify if Equipment requiring regular maintenance was acquired through the Grants Program. In addition, the Applicant must separate fuel and maintenance charges into separate line items.
