Needs Assessment

- #3 – The Applicant is reminded that activities such as privately sponsored OHV events (4-wheel club runs, competitions, etc.) are not eligible for funding. The Applicant must confirm that events are open to the public. In addition, the Applicant is reminded that Project funds can be used for OHV Search and Rescue only.

Project Certification

- No change.

Project Cost Estimate

- Equipment Purchases #1 "F250" – The Applicant did not adequately justify the need for the Equipment, given that the Applicant already has two 3/4-ton trucks in their fleet to achieve the Project deliverables. The Applicant must remove this line item. Deduct \$45,000 from the Grant and \$15,000 from the match.
- Others #1 "Motorcycle Training" – The Applicant did not respond to the Division's comment and clarify whether this training has an OHV nexus as it is unclear if this training is a "motor officer" update/refresher class. The Applicant must remove line item. Deduct \$5,940 from Grant and \$1,980 from match.

Revised Totals:

Grant Request: \$304,691

Match: \$101,564

Total Project Cost: \$406,255.
