Armando Quintero, *Director*

OFF-HIGHWAY MOTOR VEHICLE RECREATION COMMISSION

San Diego, CA

August 1, 2024

STAFF REPORT: Goal Setting Ad Hoc Committee
STAFF: Chair Salazar and Commissioner Ross-Leech
SUBJECT: Discuss and approve 2024/25 OHMVR commission goals

Summary

The goal setting ad hoc committee requests the Off-Highway Motor Vehicle Recreation (OHMVR) Commission to approve the goals outlined below and to consider updating and approving on an annual basis.

Discussion

Below are the goals to be considered by the commission:

1. Annually review and revise the OHMVR Goals and Ad Hoc Committees, Charters, and their active or paused status.
2. Support legislative and other outreach activities to further the goal of developing an OHV license or certification program to ensure and improve overall public safety and “rules of the road” knowledge.
3. Actively support and engage stakeholders in the OHMVR Access Project to identify potential SVRA additions and new property acquisitions for the OHMVR program.
4. Develop a plan to engage more diverse users and supporters of OHV including tribes and other under-represented communities.
5. Work with the DMV and CARB to develop an EV-OHV “green sticker” like program to enable EV-OHVs to legally use SVRAs.

Commission Action

The commission may vote to approve any number of the goals. The Commission may also decide to take the goals under advisement and consider taking action at the commission meeting in October. Or may decide to take no action at all.
