**STAFF REPORT:** OHMVR Commission Program Report – Triennial Report  
**STAFF:** Jonathan Barros, Associate Park and Recreation Specialist  
**SUBJECT:** 2025 OHMVR Commission Program Report Wrap-Up and  
2028 OHMVR Commission Program Report Introduction

---

### Summary

The 2025 Off-Highway Motor Vehicle Recreation (OHMVR) Commission Triennial Program Report has gone through the review process. Commissioners will get a preview of the final product and may take action to approve the commission program report. Commissioners will also be introduced to the beginning of a new cycle for the upcoming 2028 Off-Highway Motor Vehicle Recreation (OHMVR) Commission Triennial Program Report, which is due on January 1, 2028.

### Discussion

#### ***Background***

Public Resources Code 5090.24(h) requires the OHMVR Commission to prepare a report on the OHMVR Program to the Governor and Legislature.

This OHMVR Commission Triennial Program Report is an overarching document that touches on all aspects of California's Off-Highway Vehicle (OHV) recreation program every three years. The report tracks program funding, accomplishments, and resource protection and restoration programs. It also reports on all aspects of the OHV Grants Program, from expenditures, grantees, and progress towards meeting the OHMVR Program mission and strategic plan.

## **2028 OHMVR Commission Triennial Program Report Requirements**

Public Resources Code (PRC) Section 5090.24 sets the content and report schedule for the Commission Triennial Program Report:

(h) Prepare and submit a program report to the Governor and the appropriate policy and fiscal committees of each house of the Legislature on or before January 1, 2028, and every three years after that. The report required to be submitted under this subdivision shall be submitted in compliance with Section 9795 of the Government Code. The report shall be adopted by the Commission after discussing the contents during two or more public meetings. One of the public meetings shall be held in northern California, and one shall be held in southern California. The report shall address the status of the program and off-highway motor vehicle recreation, including all of the following:

- (1) A summary of the process, standards, and plans developed under this chapter.
- (2) The condition of natural and cultural resources of areas and trails receiving state off-highway motor vehicle funds and resolving conflicts of use in those areas and trails.
- (3) The status and accomplishments of funds appropriated for restoration under paragraph (2) of subdivision (b) of Section 5090.50.
- (4) A summary of resource monitoring data compiled and restoration work completed.
- (5) Actions taken by the division and department since the last program report discourage and decrease trespass of off-highway motor vehicles on private property.
- (6) Other relevant program-related environmental issues that have arisen at state vehicular recreation areas since the last program report including, but not limited to, actions undertaken to ensure compliance with federal and state Endangered Species Acts, local air quality laws and regulations, federal Clean Water Act and regional water board regulations, or permits.
  - (i) Make other recommendations to the Deputy Director regarding the Off-Highway Motor Vehicle Recreation Program.
