Project Cost Estimate

- Equipment Use Expenses #1 "OHV Maintenance" – Repairs on Grant purchased Equipment are considered indirect activities as they do not directly relate to the completion of the Project. The Applicant must move this expense to the Indirect Costs category. The Applicant listed two (2) activities for this line item. Removing

one (1) activity reduces the line-item total by 50%. Move \$468 to Indirect Costs Grant and deduct \$532 from Grant (could not move the cost to the Indirect Costs category as Project is over the allowable 15% maximum indirect amount). The revised total for this line item is now Grant \$1,000 and match \$0.

- Equipment Use Expenses #2 "Fuel" – The Applicant increased the Grant request for this line item without receiving a Division or public comment. The line item reverts to the original preliminary Application Grant request of \$400. Deduct \$600 from Grant. The revised total for this line item is now Grant \$400 and match \$0.

Revised Totals:

Grant Request: \$27,666

Total Project Cost: \$37,291
