Project Cost Estimate

- Materials / Supplies #1 "Leveling kit" – Contingent line item: Unclear if the Equipment receiving upgrades was purchased through the Grant Program or used 100% for OHV patrol. The Applicant must clarify if the piece of Equipment was acquired through the Grants Program or used 100% for OHV patrol.
- Equipment Purchases #1 "Grant funded vehicle parts & Maintenance" – The line item is duplicative of Others #6 "vehicle maintenance". The Applicant must remove this line item. Deduct \$10,000 from Grant.
- Equipment Purchases #2 "UTV" – The Applicant did not respond to the Division's comment to justify the cost of the Equipment and the rationale and need for acquiring an additional piece of Equipment. Considering the Applicant already has three pieces of Equipment for OSV patrol (two snowmobiles, 1 UTV) in their OHV fleet to meet the Project deliverables and no further justification for the Equipment was provided. The Applicant must remove this line item. Deduct \$45,000 from Grant and \$0 from match.
