### ***23-2024 Accomplishments/24-2025 Planning:***

Despite continued Covid-19 restriction delays and cancellations, about 65,000 people were able to receive training, in keeping with each County's COVID-19 safety guidelines. In Fall 2023, we returned to hosting in-person Aquatic Center Directors Meetings which were very successful. Most 2024 National Safe Boating Week events were able to be held. DBW continues to refine the application and scoring matrix that was extensively revised for the FY 20/21 grant cycle to ensure that independent reviewers can ascertain the merits of each request and assign scores according to the intent of the funding.
