Register with the Community Warning System to Receive Emergency Alerts in Contra Costa County

The Community Warning System is the all-hazard public emergency notification system for Contra Costa County. CWS may alert you through phone calls, text messages, email, the sounding of sirens for industrial emergencies, the CWS website, and social media, when a potentially life or health-threatening hazard requires you to take immediate protective action.

Register with CWS to receive Emergency Alerts. **Scan the QR code** or visit CWSAlerts.com to sign up. Have questions or need assistance with your Alert profile? Contact us at (925)655-0111 or CWSStaff@so.cccounty.us.
