

TAG Quarterly Progress Report – Q1 2026

Date Posted: July 28, 2026

This is the Technical Advisory Group (TAG) Quarterly Progress Report for the First Quarter of 2026.

A TAG Meeting was held virtually (via Teams) on February 23, 2026 at 11am. TAG members were updated on the current status of the project, as well as provided a Draft Scope of Work (SOW) 3.0 via email. TAG members were given until end of day on April 1st, 2026 to send in written comments on Draft SOW 3.0. Previous Draft SOW versions were previously reviewed and distributed to TAG members for review/comments, and have been incorporated into Draft SOW 3.0.

TAG members were also given a chance to respond to future TAG Meeting dates and times. Meeting dates and times have been set for the three remaining quarters in 2026 (Q2-26, Q3-26, and Q4, 26).
